

RES

SUSTAINABILITY CONFERENCE

Lunch | Shirts | Employers | Research | Environment

RES Sustainability Conference is a mix between career fair and research conference. Come meet companies that want to hire Rice grads interested in sustainability, and while you're at it listen to a few of your friends and professors speak! We'll also provide lunch and free t-shirts for all registered attendees.

2.4.17 - RMC GRAND HALL

Time	Activity
10:30	Check-in
11:00	Networking
12:00	Lunch
12:30	Presentations
5:00	Closing remarks

Research presentations will center around the theme "Cities and Sustainability." Presentations will come from professors across multiple disciplines such as CEVE, ARCH, EBIO, and ENST. Additionally, sponsor companies come from a wide range of industries, such as energy, architecture, design, non-profits, and NGO's.
